

Dear Sir/Madam,

I am an IT professional with experience of 7 years in developing software and websites.

I am proficient in C#, Asp.Net Web, SQL, MySQL, Java, PHP; Angular.js, Node.js, Express.js, Mongo DB; Bootstrap, Html5, CSS3, Javascript, jQuery, ajax, XML, json; GIT, SVN;

I have knowledge in REST and SOAP Web Services, and AWS.

My portfolio is at <http://www.scientrans.com/~jzhao>

I'm currently in a short-term contract as a Node.js developer until the end of 2017. I'll be available from 01/01/2018.

My current status is F1, and can work with CPT or OPT. Currently, I don't need sponsorship for H1B or GC in Texas. My current location is Dallas, Texas, and can work within Texas.

My expected salary is \$5,000+ per month, or \$30 per hour.

If you are impressed with my info, please feel free to contact me. I might not be conveniently picking up phones at office hours (9:30 am-5:30 pm Mon.-Fri.). You may contact me by email.

Sincerely,

Juanjuan Zhao (jxz161030@utdallas.edu)
